Dear Craig,

[REDACTED]

[REDACTED]

As you aware, you have recently undertaken a somewhat complex task of felling a large Willow Tree over my pond here at [REDACTED] in Hampshire.

The work was carried out in a highly professional way and you followed my instructions both for the felling and for the treatment of the material which was to be left on site.

You went to great lengths to ensure that the site was left in as tidy a condition as possible under the circumstances.

I also find your price for carrying out the work to be competitive.

Yours sincerely,
